CLINTON CENTER BAPTIST CHURCH AND PIONEER SETTLERS CLINTON TOWNSHIP, WAYNE COUNTY, PA.

On Sunday, August 22, 1982, the Clinton Center Baptist Church will celebrate its 151st anniversary with (1) a covered-dish dinner--baked ham, table settings and beverages will be provided--in the church immediately following the 11 A.M. service, and (2) an historical program in the church sanctuary at 2 P.M. Descendants of all Clinton Township pioneer families and all persons interested in Clinton Township and its history are warmly welcomed to attend. A free-will offering to be used towards painting the church will be collected. Period costumes are encouraged: the ladies on the program and serving committees will wear old-style bonnets and dresses.

Among the items on the historical program are: "Recollections of Early Wayne County" by Alice (Curtis) Lund, "A History of Clinton Center Pioneer Day" by S. Robert Powell, "Clinton Township Daguerreotypes and Ambrotypes" by Donald W. Powell, musical selections on the organ and the violin by Alice (Curtis) Lund, hymn singing (works by P. P. Bliss and others), a program of old-time songs under the musical direction of Mildred Anderson, prayers and recollections by Rev. Dwight Anderson and Rev. G. Fay Crossman.
